**Assistance on the Premises**

**Free Wheelchair Rentals and Emergency Repair Services**

Expo attendees have access to loaner wheelchairs and scooters. These are available on a first-come, first-serve basis. You will need to leave both a driver’s license and credit card as security while you are using the equipment. Loaned equipment must be returned by the end of the show. *Mobility Rehab Products will be donating free rentals and emergency repairs.*

Caring Communities is encouraging donations for these services. All proceeds will go back to Caring Communities to continue helping seniors and those with disabilities and their families.

**Assistance Around the Expo**

**Jafai Health & Support Services** will be available during show hours for Expo attendees who need assistance.

**Sign Language**

**Birnbaum Interpreting Services** will offer Sign Language Interpreting services to Expo attendees.

**Food Service**

Food Services located in outside concession area by *Salerno’s Catering - 410-795-8710.*

**Free Shuttle Service**

Gaithersburg Upcounty Senior Center will provide complimentary, round-trip, continuous shuttle services for Expo attendees, from the Designated Parking Areas to the door of the Expo, and back.

**Alternative Program Guide**

Large-format versions of the program are available at the registration table for those requiring larger type.

**Event Rules & Regulations**

- Smoking is prohibited at all times.  
- Solicitation by individuals or manufacturers other than exhibitors is strictly prohibited.  
- For your safety please communicate with your party. There may not be an intercom system available.  
- Lost & Found will be located in the registration area.  
- Show management claims no responsibility for individual belongings.  
- All exhibits and workshops are subject to change and/or cancellation.  
- Photography and/or videography are strictly prohibited. Permission from show management is required before photographing the likeness of any affiliate of the World of Possibilities Disabilities Expo.
Message from Maryland’s Governor

It is my pleasure to congratulate Caring Communities and the 5th annual World of Possibilities Expo. For over 10 years, Caring Communities has sought to address the needs of so many parents in our State, and for that we owe this organization and this magazine our gratitude. Caring Communities and the World of Possibilities Expo connect so many of our neighbors to vital services and information. Thanks to the efforts of so many caring parents, care providers and volunteers, over 400 people have been trained to provide essential respite care services to Maryland families through the Caring Network.

This year, as we work towards a better, stronger Maryland, we have tremendous progress on which to build. Over the past year, we have taken action on important initiatives to empower our neighbors and improve our quality of life.

First, we launched the Employed Individuals with Disabilities Outreach Initiative which increases access to work without endangering medical benefits from Medicare and Medicaid.

Second, we are offering the “Money Follows the Person” Rebalancing Demonstration Project will help transition individuals from institutions who want to live in the community. This is a grant that the U.S. Centers for Medicare and Medicaid Services awarded Maryland in the amount of $67 million over a five-year period to support the state’s efforts to rebalance the long-term care system so individuals would have a choice of where they live and receive services.

Third, we have the Maryland Technology Assistance Program (MD TAP) which arms thousands of individuals with disabilities, families and professionals with assistive technology and services. That includes information on securing assessments, trying out devices, and receiving funding and training. Where necessary, we are also making loans more available to our people.

Finally, we are also continuing to move emergency preparedness forward through coordination with the Maryland Emergency Management Agency as well as key local emergency planners to assure that people with disabilities will be able to receive timely and accessible voice and text notification in the event of an emergency.

Together, united in the dignity of every individual and in our responsibility to advance the common good, we are building the One Maryland we hold in our hearts. Working together with groups such as Caring Communities we can continue that progress to make sure every one of us has the opportunity to make a meaningful and positive difference in this world.

Thank you for your passion and perseverance.

Governor
MARTIN O’MALLEY

Meetings, Workshops & Performances

Friday, May 2, 2008—10:00am - 11:30am
Building Effective Family-School Partnerships
Speaker: Valerie von Behren and Pam Miller
Location: Heritage Building
Organization: MSDE/Division of Special Education Early Intervention Services
This training provides insight into effective strategies for building family-school partnerships within the special education process. Participants will receive an introduction to best practices for family involvement as well as initiatives specific to Maryland. The majority of the training is a tool box for how to strengthen the Individualized Education Program (IEP) process, to value all members of the team, and ways to positively deal with conflict when it arises, all of which ultimately strengthens student achievement.

Friday, May 2, 2008—12:00pm - 1:30pm
“King Gimp” The Documentary - Meet Dan Keplinger
Speaker: Dan Keplinger
Location: Heritage Building
“King Gimp” follows the life of Dan Keplinger, for 13 years from elementary school to college graduation. You will forget cerebral palsy & will remember his inspiration. Be with him as he discovers the world of art & as the world discovers his talents.

Friday, May 2, 2008—2:00pm - 3:30pm
Positive Visions and Practical Solutions for Inclusion
Speaker: Kim Marchman
Location: Heritage Building
Organization: Partners for Success
This training will provide participants with ideas and tools to create positive visions for children with disabilities. In addition, practical and creative ideas and solutions for inclusion will be presented and discussed. Participants will walk away with real life examples of how possible visions and inclusion can truly benefit children with disabilities.

Friday, May 2, 2008—1:00pm
MyReader2 - Video Magnifier
Location: Demo Area between Halls A & B
Organization: MDOD, MD TAP, ATLP, The WorkABILITY Loan Program
A variety of assistive technology (AT) will be available for hands-on demonstrations, including: augmentive communication devices, AT for computer access, magnifiers, CCTV’s, daily living aids, switches, adapted telephones, assistive living devices and much more.

Friday, May 2, 2008—3:00pm
Alternative Access to Computers
Location: Demo Area between Halls A & B
Organization: MDOD, MD TAP, ATLP, The WorkABILITY Loan Program
A variety of assistive technology (AT) will be available for hands-on demonstrations, including: augmentive communication devices, AT for computer access, magnifiers, CCTV’s, daily living aids, switches, adapted telephones, assistive living devices and much more.

Friday, May 2, 2008
Planning for Future Independence for Yourself and Your Loved Ones
Speaker: Kate Wisman, LCSW-C
Location: Outdoor Demonstration Tent
Organization: Jewish Social Service Agency
Developing a vision for the future; negotiating goals for yourself and loved ones. Legal and financial steps to take now to support independence and quality of life. How to access public health benefits including Social Security, Medicaid, subsidized housing, transportation, and reduced fees for social and recreational activities.

Friday, May 2, 2008
Making a Difference Through Service Learning
Speaker: Tim & Linda Moore
Location: Outdoor Demonstration Tent
Empowering youth with disabilities to participate in a service-learning project is not as difficult as you may think. Using a planning and resource guide makes things much easier to guide you from start to finish.

Friday, May 2, 2008
“Adapt My World”
Speaker: J. Rose Plaxen
Introducing “Adapt My Apetite”! Simple adaptations for people with disabilities.

Saturday, May 3, 2008—1:00pm
Alternative Access to Computers
Location: Demo Area between Halls A & B
Organization: MDOD, MD TAP, ATLP, The WorkABILITY Loan Program
A variety of assistive technology (AT) will be available for hands-on demonstrations, including: augmentive communication devices, AT for computer access, magnifiers, CCTV’s, daily living aids, switches, adapted telephones, assistive living devices and much more.

Saturday, May 3, 2008
“Adapt My World”
Speaker: J. Rose Plaxen
Introducing “Adapt My Apetite”! Simple adaptations for people with disabilities.
Caring Communities is pleased to welcome you to our World of Possibilities Expo, the most anticipated disabilities event of its kind in the region!

Caring Communities is excited to bring you this very exciting disabilities, senior and caregiver event, premier consumer exposition that is offered to the public in Baltimore, MD and Richmond, VA. World of Possibilities Expos are dedicated to improving the lives of children and adults with disabilities, all seniors, their families and caregivers, as well as health care and education professionals.

These Expos will provide an opportunity for attendees to explore a vast array of products and services such as: assistive and adaptive technology, durable medical equipment, computer software, senior services, mobility products, living aids and more all conveniently displayed to see, touch, and compare in a "one-stop shopping" experience. This will give individuals who do not typically have easy access to comparison shopping a hands-on opportunity to try devices and speak directly to equipment representatives about the products and services. World of Possibilities will also offer informative workshops, demonstrations, and representatives from local and statewide agencies/organizations to assist the disabilities and senior communities in gaining more information about supports, services and resources that they may need now or in the future.

Caring Communities, Inc. is a non-profit 501(c)(3) organization which offers disability-related training, education, publications, and events for the benefit of children and adults with disabilities, their families and caregivers, as well as healthcare and education professionals. Our efforts will enhance the quality of life regardless of the nature or severity of the disability; empower individuals with disabilities to achieve economic self-sufficiency and independent living and; promote inclusion to enjoy full participation in society.

Caring Communities has now grown into a well known and widely respected service organization offering disability-related activities and events for thousands within the entire disabilities and senior communities in MD, DC and Virginia. Our events and services include: the World of Possibilities Expo, the Caring Kit, the Caring Network and local respite care trainings. Our publications include the World of Possibilities Lifestyle Disabilities Magazines (published twice a year/Baltimore-Washington edition) and the About Our Family respite care workbook.

Hope you enjoy the Expo!

Sincerely,
Mona Freedman, RN

Friends of the Family and Maryland’s Network of Family Support Centers

Friends of the Family targets Maryland’s most vulnerable families; young parents with infants and toddlers living in low-income communities. Our goal is to reach adolescent parents and others before they are in crisis and to give them the parenting and life skills needed to raise healthy children and lead self-sufficient lives.

Friends of the Family funds and provides quality assurance services to a network of 26 Family Support Centers throughout the State. For more information, or to find the Center closest to you, call 410.259.7701.

Are you interested
In seeing, learning about or trying the latest assistive technology?
In learning more about funding for assistive technology?
In learning more about a loan to start a business or work from home?
Or in learning about what the Maryland Department of Disabilities can do for you?

If so, visit the Assistive Technology Demonstration and Information Room hosted by:
The Maryland Department of Disabilities (MDOD),
The Maryland Technology Assistance Program (MD TAP),
The Assistive Technology Loan Program (ATLP), and
The WorkABILITY Loan Program!

A variety of assistive technology (AT) will be available for hands-on demonstrations, including: augmentative communication devices, AT for computer access, magnifiers, CCTVs, daily living aids, switches, adapted telephones, assistive listening devices, and much more! Representatives from MDOD, MD TAP, ATLP and The WorkABILITY Loan Program will be available to offer informational material and answer any questions you may have.

Scheduled AT Demos:
Friday
1:00 p.m. - MyReader2 - video magnifier
3:00 p.m. - Alternative access to Computers
Saturday
1:00 p.m. - Alternative access to Computers
3:00 p.m. - MyReader2 - video magnifier
